PREFACE

The Volume III of the Thoroughbred Stud Book of the Republic of Azerbaijan is the continuation of the previous two volumes and provides the results of breeding in the years of 2010 - 2013 inclusive.

The mares missed in Volume II of the Thoroughbred Stud Book of the Republic of Azerbaijan are published in Addenda section of the corresponding volume.

The following information is published for each mare in broodmares section:

- " Name and code of country of birth;
- " Colour, date of birth, breeder, Stud Book reference;
- " Dam's line pedigree tracing back to an ancestor registered in a Stud Book approved by the ISBC. Stud Book reference of the approved ancestor is shown;
- " Result of breeding use in the years of 2010 - 2013 inclusive. Name of the breeder;
- " Name of Stallion that covered a mare in 2010 - 2013.

The following information is published for each stallion:

- " Name and code of country of birth;
- " Colour, date of birth, breeder, Stud Book reference;
- " Dam's line pedigree tracing back to an ancestor registered in a Stud Book approved by the ISBC. Stud Book reference of the approved ancestor is shown;
- " Name, colour, sex of a foal born in the years of 2010-2013 inclusive, and a name of the foal's dam.

A name of a breeder taken from Export Certificate is indicated for each imported horse.

Absence of a country code after an animal's name means that the horse was born in the Republic of Azerbaijan.

Breeding reference is shown for each mare and stallion registered in Volume III of Azerbaijan Stud Book.

Foaling reference is shown for each mare and stallion registered for a first time as such.

RULES AND REGULATIONS OF AZERBAIJAN THOROUGHBRED STUD BOOK

GENERAL REGULATIONS

1.1. The management and publication of the Azerbaijan Thoroughbred Stud Book is carried out by Equestrian Federation of Azerbaijan Republic (EFAR).

1.2. The Equestrian Federation of Azerbaijan is only organization in Azerbaijan Republic that has the right to register Thoroughbred horses and to issue all identity documents.

1.3. The Equestrian Federation executes its activity on the base of the Law about horsebreeding in the Republic of Azerbaijan+as well as relevant articles of the International Agreement on Breeding, Racing and Wagering (IABRW).

1.4. Thoroughbred Stud Book of the Republic of Azerbaijan is published every four years. Every other years Supplements are published.

2. CONDITIONS OF ENTRY

For horse to be eligible to be registered in the Azerbaijan Thoroughbred Stud Book, following requirements must be satisfied:

- a) the horse must be the product of a mating between a sire and a dam, both of which are recorded in a Stud Book approved by the International Stud Book Committee (I.S.B.C.) or either or both must have been promoted from a Non-Thoroughbred register under the terms set out in article 13 of IABRW
- b) the Thoroughbred must be the result of a Stallion's mating with a mare which is the physical mounting of a mare by a stallion with intromission of the penis and ejaculation of semen into the reproductive tract.
- c) a natural gestation must take place in and delivery must be from, the body of the same mare in which the foal was conceived. Any foal resulting from or produced by the processes of Artificial Insemination, Embryo Transfer or Transplant, Cloning or any other form of genetic manipulation not herein specified, shall not be eligible for recording in the Azerbaijan Thoroughbred Stud Book.

3. MANAGEMENT

3.1. Registration of Stallions and Broodmares.

3.1.1. Stallions and Broodmares must be registered with the Azerbaijan Stud Book for breeding purposes before covering season starts.

3.1.2. The horse's owner required to make an application for the registration for breeding enclosing the horse's passport.

3.1.3. The Stud Book Authority endorses the passport confirming that the horse is registered for breeding.

3.1.4. Before covering the mare's owner should check that the stallion's passport is endorsed for breeding. The stallion's owner should check the mare's passport endorsement and verify the identity.

3.2. Details of the mating between a stallion and a mare should be recorded on an official form . Covering Certificate, which should include:

- Name of the Stallion;
- The Stallion's pedigree as sire-dam;
- The name of the Stallion's owner;
- Name of the Mare;
- The mare's pedigree as sire-dam;
- The name of the Mare owner;
- Dates of the first and the last services;
- A statement signed by the Stallion's owner or authorized agent that the mating was natural and did not involve the processes of Artificial Insemination, Embryo Transfer or Transplant, Cloning or any other form of genetic manipulation.

3.3. A Covering Certificate should be sent to the Azerbaijan Stud Book Authority before 15th of July of the covering year.

3.3. FOALS REGISTRATION

3.3.1. Details of a foal at the time of foaling must be recorded and declared by the mare's owner on an official form . Foaling Declaration which should be sent to the Stud Book Authority within one month of the birth and include:

- Name of the Stallion;
- Name of the Mare;
- Exact date of foaling (i.e. day, month, year);
- Colour of the Foal;
- Sex of the Foal;
- Name and address of the Breeder, which is the owner of the mare at the time of foaling;
- Suggested name of the Foal;

4. IDENTIFICATION DOCUMENTS

Passport and export certificate are official documents for identification of a horse (article 15 of IABRW).

4.1. PASSPORT

4.1.1. EFAR issues a passport for Thoroughbred horse born in the Republic of Azerbaijan.

4.1.2. The passport is in Azerbaijan and English and include:

- Name of the horse;
- Date of birth (i.e. day, month, year);;
- Country of birth;
- Name of the Breeder;
- Name of the Owner;
- Sex and colour;

4.3. EXPORT CERTIFICATE

4.3.1. The Stud Book Authority issues an Export Certificate for any horse born in the Republic of Azerbaijan and permanently exported.

4.3.2. The Azerbaijan Stud Book Authority will send the Export Certificate directly to the Stud Book Authority of the imported country.

4.3.3 DNA card should be attached to the Export Certificate.

4.3.4. In the case of export of a mare in-foal, the covering certificate showing the details of the Stallion that covered the mare and the dates of the first and the last covering must be attached to the Export Certificate.

5. PARENTAGE VERIFICATION

5.1. To be registered all foals must be parentage verified.

5.2. Blood and hair samples must be taken from foals by authorized agent before weaning and delivered to a laboratory officially designated for DNA typing and parentage verification.

5.3. The laboratory designated for parentage verification of foals born in the Republic of Azerbaijan must be a member of I.S.A.G., participate in the ISBC/ISAG comparison tests and meet the ISBC/ISAG minimum standards.

5.4. The laboratory will keep confidential all genetic typing results and not divulged except to the request of the Azerbaijan Stud Book.

6. REGISTRATION OF NAME

6.1. All Thoroughbred horses foaled in the Republic of Azerbaijan must be named through the Stud Book Authority.

6.2. When naming a horse the following rules, in compliance with Article 14 of IABRW, will apply:

6.2.1. It is not permitted to use the name of stallions which have been used for covering until a period of 15 years after death or 15 years after the last recorded year in which they covered mares or at 35 years of age (whichever is the soonest).

6.2.2. It is not permitted to use the name of mares until a period of 10 years after their death or 10 years after the last recorded year in which they were covered or produced a foal, or at 25 years age.

6.2.3. It is not permitted to use the name of other horses that have raced, until a period of 5 years after their death, or at 20 years of age (whichever is the soonest).

6.2.4. Names cannot be used that are on the International List of Protected Names.

6.2.5. Names cannot be more than 18 characters, including signs or spaces.

6.2.6. It is not permitted to use the name of a public person, unless permission is given by them or their family.

- 6.2.7. Names cannot be followed by numbers.
- 6.2.8. It is not permitted to use names made up of initials or figures.
- 6.2.9. It is not permitted to use names whose meaning, pronunciation or spelling may be insulting or obscene.
- 6.2.10. It is not permitted to use names which start with any sign other than a letter.

7. REGISTRATION OF IMPORTED HORSES

- 7.1. Imported Thoroughbred horses can be registered in the Azerbaijan Stud Book only in case if they are registered at birth in a Stud Book approved by the ISBC.
- 7.2. Registration of imported horses is carried out on the base of the following documents, issued by Stud Book Authority of the country of birth:
 - 7.2.1. Export Certificate.
 - 7.2.2. Passport.
 - 7.2.3. DNA card.
- 7.3. For mares imported in-foal a covering certificate issued by the Stud Book Authority of the country where the covering took place, must be attached.
- 7.4. When an imported horse is registered its name must have a suffix showing the country of foaling (Article 4 of IABRW).

8. FINAL STATEMENTS

- 8.1. The covering season starts on February 15 and end on July 1.
- 8.2. The Rules and Regulations are obligatory for all owners and breeders in the Republic of Azerbaijan.
- 8.3. EFAR has right to refuse to register a horse in the Stud Book if the Rules and Regulations are not fully respected.
- 8.4. EFAR published every year the fares to be paid.
